Dear Sirs,

Further to the joint inspection carried out by the Dy. Chief Controller of Explosives, Chandigarh and BIS, Chandigarh on 11/04/2018 and 12/04/2018, there would be no objection to your manufacturing the subject cylinders as per subject drawings under BIS Certification Marks Scheme. The size of the letter of logo shall be minimum 50 mm having line thickness of 10mm.

Please note that no cylinder manufactured by you shall be supplied without prior approval of this office which will be considered on receipt of the manufacturers test and inspection certificate in respect of the cylinders duly endorsed by BIS together with necessary documents in respect of the valves fitted to the cylinders indicating that they conform to the requirements of IS:8737-1995.

No change in the setup of your qualified and experience personnel and plant and machinery shall be effected without prior approval of this office.

This permission can be withdrawn at any time if the manufacture of the subject LPG cylinders is found to be not in accordance with the provision of the said rules and as per design drawing approved. This permission shall remain valid till the validity of your manufacturing plant approval. A copy of the above drawings is returned herewith duly endorsed in token of approval.

Yours faithfully,

(D.K. Gupta)
